Demis Hassabis & Wendy Hall Dialogue on the Future of AI

Event Overview

The WCIT Lecture is a flagship event that attracts senior leaders from industry, academia, government, and the wider technology community. It offers a unique platform for meaningful dialogue on the most pressing issues shaping our digital future.

Tickets: **£45 per person**

We are delighted to invite you to this year's WCIT Annual Lecture, a highlight of our calendar and a unique opportunity to hear from two of the world's most influential voices in Artificial Intelligence.

We are honoured to welcome **Sir Demis Hassabis FRS** (Co-Founder & CEO, Google DeepMind, and Nobel Laureate) and **Dame Wendy Hall FRS** (the UK's leading independent expert in this area, and Regius Professor of Computer Science, University of Southampton), for a Dialogue on the Future of AI, moderated by our Master, Gus Machado.

The discussion will explore topics including:

- Their personal journeys into AI and the evolution of the field
- The UK's leadership in AI and how we inspire the next generations
- The future of various kinds of Intelligence and its implications

It promises to be a fascinating and thought-provoking evening, bringing together leaders from across technology, business, and academia.

Places are limited, so book early to avoid disappointment. Join us for what promises to be an amazing event.
